\$13.00/ hour

Members selected for this program will agree to meet the following minimum participation requirements:

- Work at least 2 and no more than 9 prescheduled 12 hour shifts a month
- Respond when available to personnel call backs to help staff the Fire District during large incidents.

Department Overview:

Crook County Fire and Rescue (CCFR), originally chartered as the Prineville Volunteer Fire Company in 1882, is Central Oregon's oldest fire department. First started to protect the small but growing logging community of Prineville, the all-volunteer turned combination department now protects a Fire District of 450 square miles, which is divided into three geographically distinct response areas; Prineville 1201, Powell Butte 1202, and Juniper Canyon 1203. Extending beyond the borders of the Fire District, CCFR also provides EMS response to an ambulance service area of 3,000 square miles serving a population of roughly 19,000. Historically a logging and agricultural town, the community has seen diversification in its industry over the years to include heavy manufacturing, transportation and logistics, and high technology. CCFR has a long tradition of supporting and protecting the community and strives to continue this into the future.

Job Requirements:

- Must maintain a valid Oregon Driver's License, and be insurable by the district.
- NFPA Firefighter 1 Certification
- NFPA Driver/Operator
 - Must have NFPA Apparatus Equipped with fire pump certificate within 3 months of start date
- Oregon EMT or higher
- S-130, S-190, L-180
